

County of Orange Radio Amateur Civil Emergency Service 2014 Baker to Las Vegas Challenge Cup Relay Race Essential Information

March 22nd—23rd, 2014

EQUIPMENT INSTALLATION LOCATION

The OCRACES APRS Tracker Box installation team will arrive at Baker High School Friday night to begin installations at 0600 Saturday morning. The installation area is just north of the main High School building area and in a large dirt area on the east side of the highway. Look for a 19 foot motor home and a white trailer with **"W6CSP Mobile Amateur Radio"** on the side. Ralph G. Sbragia, W6CSP is the Installation Coordinator and can be reached @ 714-287-4745.

POSITION REPORTS VIA APRS (via telephone)

OCRACES CP Pahrump (24 hrs during race)
714-875-0358 (NOTE: This is a change from 2013)

On Saturday the following number may be used during the day until about 1500 and between 1800 and 2100 or so. On Sunday, from the time when the last team crosses Mountain Springs Pass (approximately 0700 Sunday) until all tracked teams have finished.

714-287-4745

INTERNET RACE COURSE COVERAGE

OCRACES supports a Vehicle Tracking System that will utilize Automatic Position Reporting System (APRS) equipment in the Follow Vehicles on the racecourse. The Tracker data will be transmitted from these vehicles to a system maintained and operated by the B2V Communications Committee, where it will then be connected to the Internet. Live race course coverage may be viewed at:
